Welfare benefit advice

If the claimant is in receipt of welfare benefits or in the process of making a claim we can provide a comprehensive welfare benefits review. We will consider their circumstances to check their benefits are correct and establish if you are eligible for any additional help in the interest of maximising their entitlement.

Would you like our Welfare Benefit Advisor to contact you regarding this service? Yes No

Please note that no charges will be made for either Personal Injury Trust or a welfare benefits review until we have established the claimant's needs.
